**Online Mode**

Master Digital Marketing in 1 Weeks! Unlock the Skills to Grow  
Your Business & Career

# Get Ready to Build Your Digital Future

# Why digital marketing skills?

People want to master digital marketing to enhance their career prospects, grow businesses online, and stay ahead in the competitive, fast-paced digital world with practical, hands-on experience.

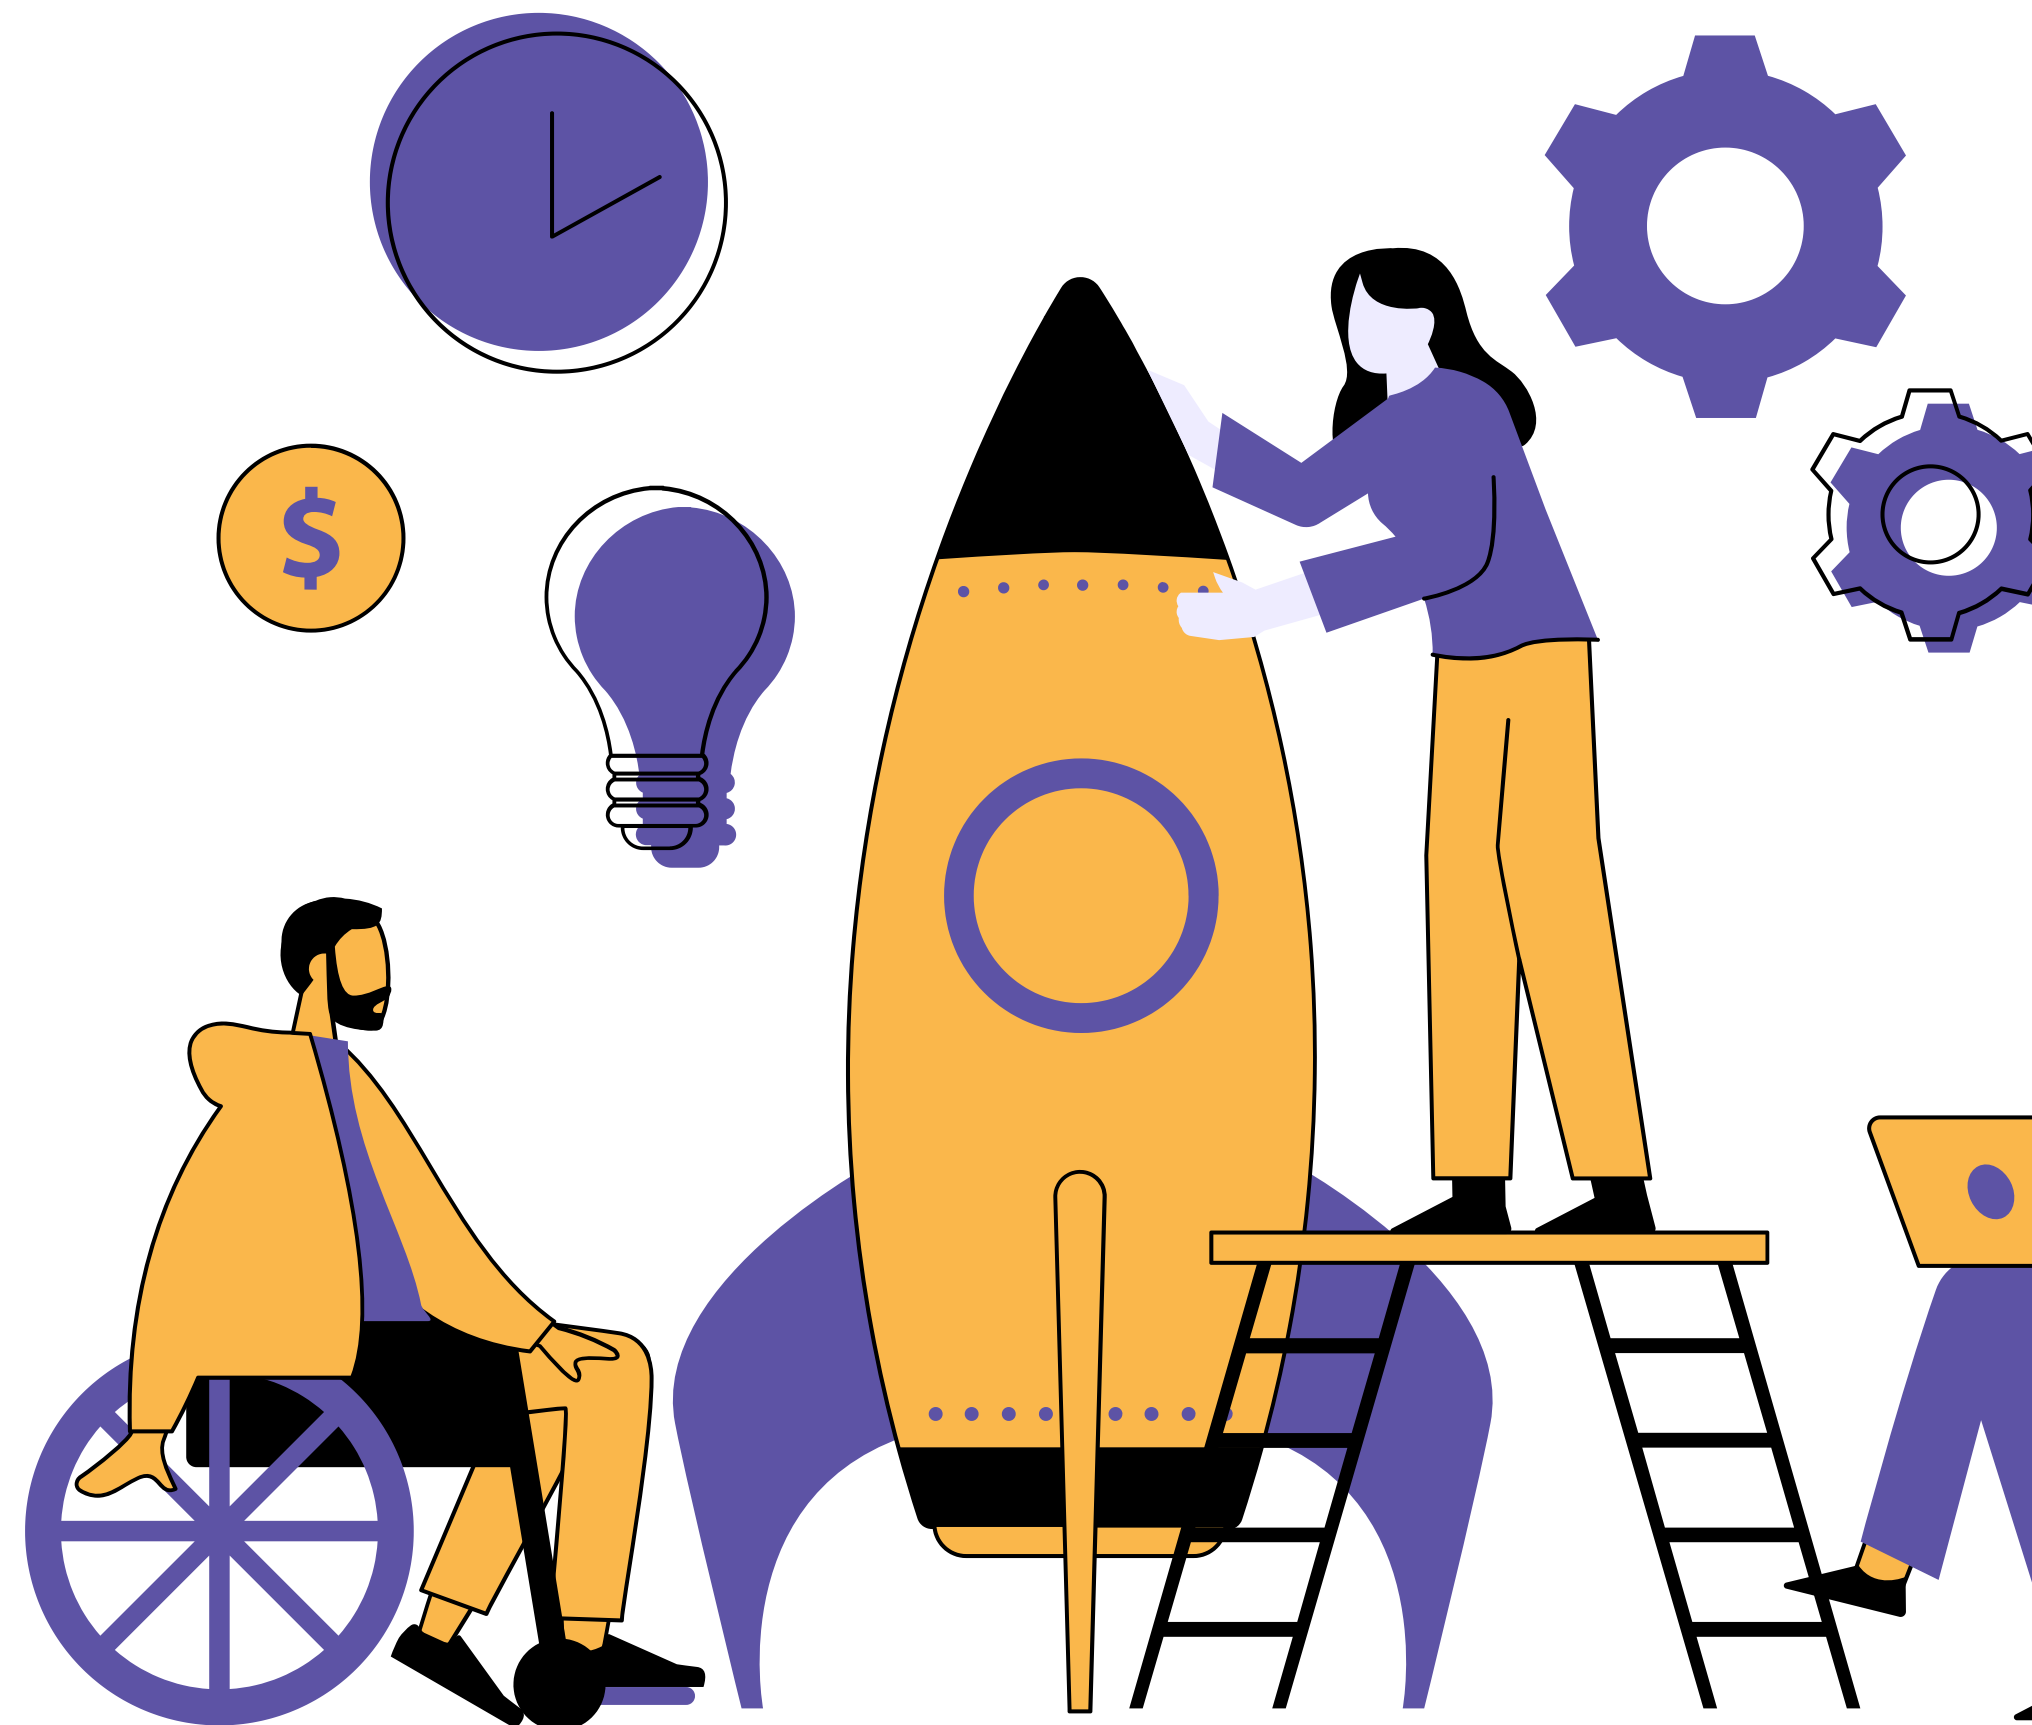

# Vision And Mission

## Vision

To empower individuals with digital marketing skills, fostering innovation, entrepreneurship, and community growth for a successful, digitally-driven future.

## Mission

- 01 Provide comprehensive digital marketing education that equips individuals with practical skills to excel in the digital world.
- 02 Offer entrepreneur training and mentorship to nurture creativity, business acumen, and leadership for aspiring entrepreneurs.
- 03 Facilitate hands-on experience through a 15-day internship, bridging the gap between theory and real-world applications for career success.

# Course Content

01 Introduction to Digital Marketing 

---

02 Search Engine Optimization (SEO) 

---

03 Social Media Marketing (SMM) 

---

04 Content Marketing & Email Marketing 

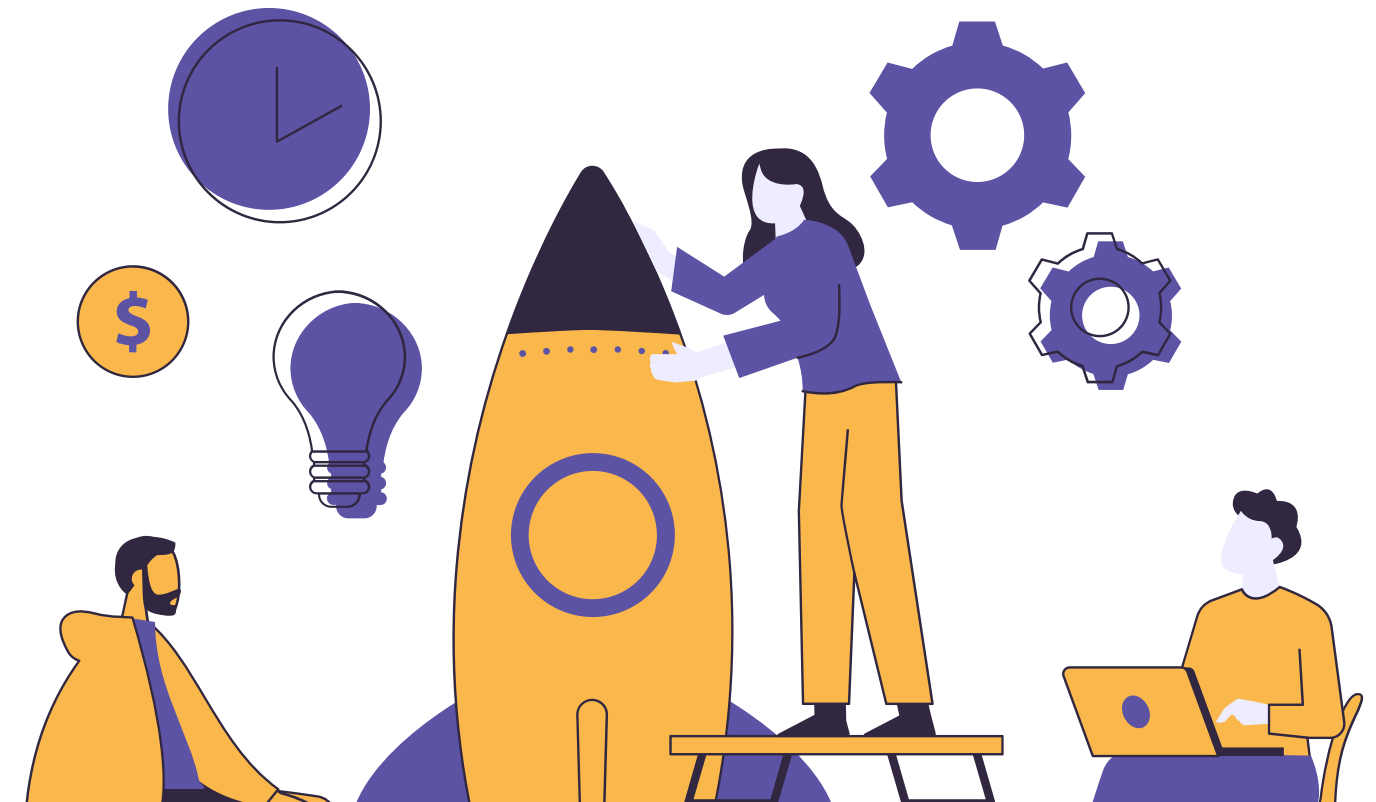

---

05 Paid Advertising (PPC) 

---

# Internship

Our 15-day internship provides hands-on experience in digital marketing, allowing participants to apply course learnings in real-world projects, enhancing their skills and boosting career opportunities.

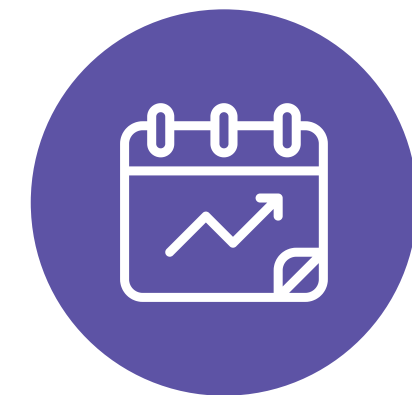

## Boost

Enhance practical knowledge, gain industry experience, and build a professional portfolio that increases employability in the digital marketing field.

## Achievement

Participants will acquire essential digital marketing skills, successfully complete real-world projects, and improve their entrepreneurial mindset, leading to greater career success.

## Schedule

The course spans 7 days, covering all aspects of digital marketing with practical exercises, followed by a 15-day internship for hands-on experience.
